

IRONGUISH LEAVES.

The U. S. S. Ironguish will leave at 1 p. m. today for Kaula and Puna landing on Molokai. Alford will be Captain A. P. Niblack, assistant light-house inspector for the Hawaiian Islands, who goes on a tour of inspection. From Kaula the Ironguish will proceed to the Gregor's landing, Lahaina, Kaula and Hana.

AFTER TWO ISLANDS.

An arrival from Panning Island by the S. S. Alameda yesterday was W. H. C. Greig. He goes to the Coast to interest capital in a scheme to purchase Panning and Washington islands, out-right. The islands, which are mid-Pacific atolls, are being advertised for sale by the British government.

SHIPPING NOTES.

There are at present 3 sailing vessels in port.

The S. S. Alameda is due from the Coast today.

The S. S. Doric took away three stop-overs from here.

The steamer Claudine brought 5000 bags of sugar from Mahukona.

The cable steamship Restorer may arrive from San Francisco today.

The schooner Helene got away for San Francisco yesterday afternoon.

Captain Niblack of the Naval Station has received authority from the Lighthouse Board at Washington to establish the lights at the Laper Settlement, Molokai, and at Ka Lae (south point of Hawaii) and Keahole (west point of Hawaii). The lighthouse sites were selected by Lieut. Slattery and the lights put up, but owing to there being no fund for the local lighthouse district the lights could not be operated until July 1. Some funds, however, have been scraped together from an overplus in other districts, and the lights will open up on March 1.

SPRAINS.

A sprain may be cured very quickly by applying Chamberlain's Pain Balm to the injured parts every hour, and rubbing vigorously at each application. If the rubbing causes too much pain, apply the Pain Balm without rubbing. It should be applied as soon as possible after the injury is received and before the parts become inflamed and swollen.
